## Pedagogies of Passing from Reception to Education

**Become a  
Mentee!**

PASSAGE aims to develop innovative and urgently needed solutions to ensure that newly-arrived children of third-country national background receive sufficient support in entering school life.

Hey! I'm Hassan. Are you the new girl who came yesterday?

Where are you from?

From Ukraine.

And you came here because of the war?

Yes...

Like me 5 years ago. I'm from Syria!

Oh really?

Yes... How was the first day here?

I don't understand what the other kids and teachers say. And I don't know anyone. I felt like they looked at me like I was stupid and they stared at me weird.

It's hard at first. You'll need help! You should join the school's mentoring programme!

What is "mentoring"?

A classmate will help you with the language, the teachers, the other kids... With anything you might need.

Will the other children want to help me?

Of course! The kid that will help you will be one of the kids who has signed up for the program as a mentor. I signed up too.

Oh, that sounds nice... Where should I go to take part?

Come on, let's go to the teacher together right now!
