Dissemination Events in Italy

In the last couple of months CESIE organized several **awareness-raising events** aimed at presenting the PASSAGE resources, including the Policy Recommendations developed. The first event was organized on 20 October 2022 within CESIE's Festival "EU School", an annual event gathering together all school professionals, students and institutions in Palermo. It was the occasion to present the project in detail to the several attendees and to discuss about the final results.

The second awareness raising event was organized on **3 November 2022** at "Cre.Zi Plus" in Palermo. We presented the project, its aims and objectives with a comprehensive description results and outputs, but also leaving the floor to participants to comment materials and share their own educative experiences. An

interesting debate ensued during the event, as the different policy makers and teachers present were very much eager to cooperate and give their feedback.

For the third and fourth events, on **5 and 13 December 2022**, CESIE was hosted by the **University of Palermo**, where the PASSAGE project was presented to teachers and students of the Faculty of
